

## STALLHOLDER RISK ASSESMENT Beehive Craft Fayre 2024

A stall is a workplace covered by health and safety legislation. As the stallholder it is your responsibility to ensure suitable and sufficient risk assessment is completed. Please note that it is not an exhaustive list. You are responsible for identifying an aspect of your stand which could present a hazard.

Please complete the template below or submit your own form with your application.

Part 1 Does your stall include any of the following?

Responsibilities		YES	NO
1.	Lifting heavy products during the build-up/ break-down		
2.	Food service of any kind other than sweets, snacks, or soft drinks		
3.	Working machinery of any kind even if static		
4.	Any potential fire hazards		
5.	Any potential slipping or tripping hazards		
6.	Have all electrical appliances been PAT tested		
7.	Any other hazard not identified which could be a risk		

Part 2 If you have answered YES to questions 1 -7 please complete the following:

Risk	Who could be harmed?	Control measure in place

art 3	
lease detail overleaf the steps you'll be taking to mitigate the risk of the spreeg; signage to discourage crowding, contactless payments, hand sanitiser, et
